CERTIFICATE OF REACH COMPLIANCE

Article 33 of EU REACH Regulation No. 1907/2006 requires that Avian Technologies LLC notify our customers in the case that any of the REACH Candidate List SVHC is present above 0.1% (weight by weight) in articles that we supply. Article 3(3) of the REACH regulation defines an article as “an object which during production is given a special shape, surface or design which determines its function to a greater degree than its chemical composition”.

The following table lists out Avian Technologies coatings. These products do not contain any substances on the EU REACH Candidate List SVHC above 0.1% by weight, based on our current understanding.

Avian B (a barium sulfate based white reflective coating)

For additional information regarding EU REACH compliance of Avian Technologies LLC products, please contact Avian Technologies. Avian Technologies can be reached by phone at 1-603-526-2420 or by email at info@aviantechnologies.com.
